Monthly update and change summary

September closed on time. Operating cash is up $2,500 month over month; reserves grew by the $3,000 contribution. Expenses are $3,865 under budget year to date, mostly repairs and irrigation.

What changed this month

AREA	CHANGE
Owners	Unit 44 sold (closing Sep 18); new owner on file, resale package delivered in 2 days. 31 of 48 owners on autopay (+2).
Dues and fees	No change. 2027 budget draft proposes $320/mo (+3.2%) to fund the reserve study contribution.
Vendors and contracts	Pool service invoice AP-889 is 28% above trend (chlorine shock treatment); held for board review. Fence Masters still missing a W-9; no payments released.
Collections	Unit 3 lien recorded Oct 5 (over 90 days, over $400). Unit 40 intent-to-lien mailed. Two accounts moved to earlier stages after payment.
Decisions pending	4 invoices; attorney referral vote on Unit 3; asphalt seal and stripe bids requested for spring.
Reserves	82% funded vs the 2026 Level II study. Asphalt seal and stripe ($18,500) due 2027.

ANNOTATION
Written by hey from the month's ledger activity, owner changes, vendor activity and decisions, then reviewed by your coordinator. It is the page most boards read first. In the homeowner package the collections line is summarised without unit numbers.

ANNOTATION

Cash basis: income is what arrived in the bank, expense is what left. Variance is actual minus budget; green is good in both directions. Pool is red because of the September shock treatment, which hey flagged before it was paid.

ANNOTATION

Cash basis: assets are the bank balances, nothing else. No receivables, payables or prepaid liabilities. What owners owe, what owners have paid ahead and what is owed to vendors are the memo reports that follow in the board package. Operating and reserve funds are shown separately because the governing documents and state statutes require it.

Policy ladder (Exhibit B)

Late notice when past due · rebill 15 days ($45) · pre-legal demand 30 ($45) · intent to lien 60 ($105) · lien 75 ($205) · further action 90 ($45) · attorney by board vote ($215). No lien or attorney below $400 or 75 days. Fees post to the owner ledger.

ANNOTATION

Stage, last action and next action for every account in the process, so the board can see the policy being followed without running it. Attorney referral always needs a vote; it is on the decisions list, not in this report.

Prepaid report owners paid ahead · as of Sep 30, 2026

UNIT	OWNER	PREPAID	COVERS THROUGH
Unit 7	Lindqvist, Anna	$310.00	Nov 2026
Unit 22	Patel, Riya	$930.00	Jan 2027
Total prepaid (2 accounts)		**$1,240.00**	

ANNOTATION

Cash basis means prepaid dues are already in the bank and already counted as income. This report tells the board how much of the cash is owed back in service, so it is not mistaken for surplus.

ANNOTATION

A reconciliation that ends in zero, with outstanding items listed, is the single best test of whether anyone is watching the money. One per bank account, every month.

ANNOTATION

Statements come straight from the bank, never from us. Board members can also download them any time, and submit signature cards, in First Citizens Bank Client Connect. Transfers between accounts and CD purchases or redemptions are done there by a person after a board decision; software never moves money.
